

Friends and Family Feedback & Suggestions

Helpful,
friendly
surgery

I have always
had good
service here

Always had a
good
experience

Well looked
after by
Nonette

..someone
that actually
listens to
you..

I have been with
the surgery for
many years & have
always had good
treatment & find
staff very pleasant

..cares about
your
wellbeing...

..asks how I
am
recovering, is
always
reassuring

..takes the
time to
investigate the
cause...

This month 100% of patients said they would recommend our practice to friends and family.

THANK YOU FOR ALL YOUR FEEDBACK!
